

trompe l'oeil

deceive the eye

For this project you will:

- find an object - make an exact replica of that object
- learn new ways to manifest in clay the information that you SEE

Attention to detail is the key to success in this assignment. *Think of every mark on the clay.* Does that mark help your work to be as realistic as possible?

carefully observe . . .

analyze all the details and transfer that information into clay

use or combine any of the various techniques we have learned so far.

more interesting examples.

what does it mean to make it out of clay?
